Local · Get greeting from helloMcp
Use the add_numbers MCP tool from helloMcp with a = 10 and b = 20. Show me the result.
The result is 30.
server.py:1-23
Use the calculate_age MCP tool from HelloMcp with birth_year = 2000. Show me the result.
I'll call helloMcp's calculate_age with birth year 2000 and report the returned result.
Ran calculate_age – helloMcp (MCP Server)
The result is 26.
